In Studio Showings for dancers in Levels 1 to 8 take place at Carousel in the GREEN STUDIO from December 9th to 15th. There are no regular scheduled classes for students in Levels 1 to 8 during this period. Dancers are required to arrive at the studio and be ready to dance 1 hour prior to the start of the studio showing. Due to space limitations, we ask that each family limit the number of viewers to two.

Celebrate the season with an evening of dance!
