Program History

The Carousel Dance Centre was originally founded in 1975 by Dr. Ruth Priddle, a University of Waterloo professor. With her Masters in Dance and a PhD in Developmental Psychology, Dr. Priddle was very interested in researching motor learning in relation to dance. In addition to serving as a catalyst for research, Carousel served as a practicum for students taking University dance courses related to the teaching of dance, anatomy and motor development. The school, which was originally located in the Physical Activities Complex, serviced children in the community. For several years, Carousel continued its operations at UW in East Campus Hall where it was closely linked with the University's Dance Degree Program until its phase out in 1996. From 1996-2008, Carousel continued to operate at the University of Waterloo and serviced the University community through its offering of credit technique courses and recreational classes for University students. In 2008, Carousel relocated from the facilities at the University to a newly renovated, fully accessible, 8, 650+ square foot facility at 550-D7 Parkside Drive. The school continues to offer quality dance education for children and teens.

Program Philosophy

Our first and foremost goal at Carousel is to offer an educational dance program in which all students can experience success and enjoy the art of dance. We place an emphasis on the development of strong dance technique while working to foster creativity and self expression. Students at Carousel develop physically, socially and intellectually in a safe and non-competitive environment. As educators, we strive to ensure the highest quality of teaching, providing instructors who are educated, certified and experienced. Together, we work to ensure that each child develops a love of the *Art of Dance!*

Class Cancellations

From time to time, a class at the Carousel Dance Centre may be cancelled due to weather conditions, special events or instructor illness. We make every effort to avoid the cancellation of classes, but if we are required to cancel a class, we will notify each student by e-mail or phone, UNLESS the cancellation is due to weather conditions, under which circumstances, students should call the office 519-746-8877 or listen to the CHYM FM Snowdesk cancellation report. In the event that programs are cancelled, there will be no refunds or make-up classes. Fees for the term are calculated with the possibility of a class cancellation. However, we guarantee that each term will consist of a minimum of 9 classes. If due to some unforeseen reason, classes are cancelled and less than 9 classes are offered during a term, we will schedule a make-up class.

Attendance

Regular attendance at class is important and allows students to receive the most benefit from their dance program. All classes will start and end promptly at their scheduled times. If students will miss a class, please call the office and leave a message. Please note that there will be no refunds or make-up classes given to students who miss classes.

Parent Viewing Days

Parent viewing days are scheduled throughout the year to provide you with the opportunity to view your child's accomplishments. Dates for parent viewing can be found on the annual calendar.

Consignment Swap Shop

We are pleased to offer a consignment swap shop to recycle gently used dance clothing items. The swap shop is ongoing throughout the year and is a great place for students to purchase their required dance items at a reduced cost. Students can also place their items in the consignment swap shop!

The Carousel Facility

Carousel is located in a bright, spacious 8,650+ square foot facility. The space has four studios and is fully accessible. The accessible entrance is located at the back of our unit. The dance floors are sprung and studios are equipped with mirrors and large windows for viewing. Carousel is located at 550-D7 Parkside drive which is located at the northeast corner of Weber and Parkside Drive between Northfield Drive and Weber Street across the street from the VW Dealership.

Parking/Drop Off & Pick Up

Parking is available in any of the spaces located in the lot surrounding our unit except for those specifically marked for other plaza businesses. We request that all students remain inside the building while waiting for their rides to arrive. Children under the age of eight must be dropped off and picked up directly from the studio in which their class takes place. Classes at Carousel begin & end promptly at their scheduled times. Please be sure to pick students up immediately following their class. Teachers at Carousel teach back to back classes and therefore are unable to provide supervision before or after classes.

Outdoor Footwear

We request that all outdoor footwear is removed in the reception area and is placed on the shelving units provided. Please assist us in keeping the muck and dirt OUT of the studios by adhering to our outdoor footwear policy.

Change Facilities

There is a girls change area with change cubicles, cubbies and lockers. Please assist us in keeping the change room tidy by keeping your locker area clean. The Carousel Dance Centre will not be held responsible for lost items. There is also a designated boys washroom & change area.

Student Lounge

Our student lounge area is equipped with a microwave and full size fridge. This comfortable area has couches and chairs as well as a table for eating lunches and/or doing homework. Students are welcome to bring lunches and/or snacks and to make use of the kitchen facilities. We ask that all students tidy up after themselves and that all lunches are marked with student's name and date brought to Carousel. Any lunches left for longer than one week will be disposed of. We hope students enjoy the lounge area and assist us in keeping it tidy.

Parent Viewing Area

There are two parent waiting areas. Our main waiting area has windows to each of the four studios. Our secondary waiting area is located at the front of the building. Occasionally, when Carousel hosts special workshops and/or examinations, the viewing windows may be closed and parents asked to use the waiting area at the front of the building. We request that siblings who wait with parents during classes are supervised at all times. Although we provide a parent waiting area, parents are not required to remain in the building during their child's class.

Lost & Found

Please be sure to mark all dance shoes and clothing with your name to help minimize lost items. If you do lose something, check our Lost and Found which is located in the girl's change room. Be sure to check the lost and found regularly. All unclaimed items are donated to charity at the end of each term.

Each Spring, the Carousel Dance Centre provides the opportunity for students to perform at the Humanities Theatre. All students in Primary and above are eligible to participate (participation is not mandatory). Students registered in the pre-school program do not participate in the Spring Performance; these students will instead learn a short dance to perform for family and friends in the studio during their last class of the term.

Parents are required to purchase tickets for the performance.

Dress Code

There is a dress code in effect at Carousel. It is very important that all students come to dance class prepared and with hair tied back. Help with hair . . .

It is very important for all dancers to have neat and well-secured hair for class. All age groups MUST come to class with hair worn off face and ALL ballet students (Levels 1 and up) must wear hair in a bun.

For Very Short Hair - Please neatly brush off face or use hair clips.

For Medium Length Hair - Bangs should be neatly trimmed or clipped off face. A headband may be worn to hold short hair back. If hair is too short for a full ponytail, try just putting the top half up in an elastic.

For Long Hair . . . **How to do ponytail/Ballet Bun** . . .

1. For a basic ponytail, first lightly spray hair with water for better control. Gather hair and pull it back (use hair gel if more control is needed).
2. Use a brush or the "tail" end of comb to smooth out bumpy or uneven areas. Form a ponytail by brushing hair up from the jaw-line and towards back of head (this will form a high bun). Placement of the ponytail determines placement of the bun. (High buns are ideal; however, mid and low buns may be worn to accommodate a performance headpiece or short hair).
3. Use a hair elastic to secure ponytail. A tidy ponytail with hair drawn back snugly is the key to a good ballet bun!
4. Apply more water or gel to keep the hair neat. Twist or braid the ponytail to start the bun (it may be easier to achieve a desirable "flat" bun by twisting hair).
5. Coil the ponytail into a tight circle. Instead of stacking coils on top of each other, try to coil hair outwards to increase the diameter of the circle formed. This will help keep the bun flat.
6. Use hair pins (the "U" pins) all around the coil to secure it to the rest of the hair. Slide each hair pin through the outer part of the coil and into the base (centre) of the bun.
7. When hair is secure enough that it stays in a bun on its own, wrap a fine hair net around the bun, twisting & wrapping until hair net tightly secures bun.
8. Large buns may protrude too much; to flatten bun, carefully remove some of the pins (the hair net will hold the bun). Then flatten the bun and re-pin around the bun.
9. For extra hold, when hair and bun are secure, spray with hairspray and secure loose hairs with bobby pins.
10. Avoid the use of hair scrunchies around the bun. The bun should be secure on its own, without the use of a hair scrunchie.
