PARTICANT PROFILE

To help us plan a successful program, we need your help. If your child is new to Carousel, please take a few moments to complete the participant profile which is available on our website. This helps us to get to know each of the dancers just a little bit better.

AUTHORIZATION FOR ADMINISTRATION OF MEDICATION:

If your child will require administration of medication during camp hours, please be sure that you have completed an “Authorization for the Administration of Medication” form. Visit our website and click on the link to Summer Dance forms to access a printable version of this form.

PROGRAM SCHEDULE:

Students will participate in dance classes, choreography, arts 'n crafts & special events throughout the week. A detailed program schedule for the week will be posted on our bulletin board on the first day of camp. During the week, we will be working towards a special dance performance which will take place at the end of the day on Friday.

PERFORMANCE:

Our Friday performance provides the opportunity for the students to share their success and accomplishments with an audience. Family and friends should mark the date on their calendar. Our showcase will take place at 3:30pm on Friday. We hope you will join us!
