

CAROUSEL 2021 HOLIDAY SHOWINGS

6/7/8 MODERN, COMPOSITION 1 & 2

We are looking forward to our upcoming holiday showings. As part of our new format this year, there will be performances in both the yellow and green studios as well as a pre-show video playing in the purple studio. Audience members will rotate through the three studios in small groups of 15-20 and each performance will be performed multiple times for the different groups of audience members.

OUR COMPOSTION & 6/7/8 MODERN CLASS WILL PERFORM IN THE YELLOW STUDIO. This is in addition to your scheduled regular class performances. The schedule below should work so that the performances you are scheduled to attend in the green studio (your class performances) do not conflict with the times you'll be performing in the yellow studio. If there are any conflicts or showings that you are unable to make it to, please let us know.

There are a few empty time slots for Comp 2 solos & duets. If you would like to sign up for an additional time slot to fill in one of these spaces, please let us know.
