

CAROUSEL DANCE COMPANY

2016-2017 SEASON

We hope you are all enjoying summer and the warm weather.

Things are busy at the studios with summer programs and a great line up of drop in dance classes. In the midst of the hub of activity, we're also busy preparing for our 2016-2017 Dance Company season and are looking forward to a great year including our Nutcracker performance and an exciting "Live by Request" performance with the KW Symphony.

We are looking forward to working with this year's group of company dancers and we extend a warm welcome to our newest members.

There are still spaces available this summer in both of our Dance Company Plus programs where students will spend the week dancing, learning choreography and assisting with all aspects of putting a show together including the creation of costumes, sets and performances. These programs are a great opportunity for company members and provide additional performance opportunities during the year.

July 18-22 – Dance Co Plus – School Performances

9:00am-4:00pm daily **students prepare a children's performance to be performed at three schools on ONE day during September

August 8-12 – Dance Co Plus – Theatre Performance

9:00am-4:00pm daily **we are excited to announce that we will be creating a ballet at our August Dance Co Plus week called "The Nightingale". We're looking forward to working with the students on this exciting production. "The Nightingale" will be performed on Sunday, October 2nd at the Registry Theatre.

Please visit your on-line registration account to review the Company Level that you are enrolled in. We noticed that there were several dancers who didn't enrol themselves in the correct level of company so we have made all of the necessary changes to the student enrollments.

We also wanted to remind everyone to be sure that they are fulfilling their company requirements for the summer. Please review the requirements below to make sure that you will be able to complete the necessary summer commitments prior to August 31st.
