

Carousel Dance Centre - Spring Performance 2020

Each year, the Carousel Dance Centre provides the opportunity for dancers to perform in a show held at the Humanities Theatre, University of Waterloo. The Spring Performance provides the opportunity for students to share their newly acquired skills and creative and artistic talents in a performance that follows a storyline and/or theme. This year, we are very excited to present **BLOCKBUSTERS** a selection of dance sections inspired by the movies. The performance will include Toy Story, Sound of Music, Cats and more! The students will hear more about our movie mania in their classes as teachers begin to discuss the performance and class roles with them. This year, there will be 3 performances held on May 1 & 2, 2020. Not all students perform in all three shows. **Primary and Junior Levels 1 & 2** perform in **ONE SHOW**. **Junior levels 3, 4, and Level 5A** perform in **TWO SHOWS**. **Levels 5B and above** perform in **ALL THREE SHOWS**. Pre-school classes do not perform in the recital. A schedule of the shows that each class/level performs in is detailed below.

Participation in the performance requires commitment from both the dancer and his or her family. There will be two extra rehearsals for each class that the student is enrolled in. It is also expected that students perform on ALL of their performance days. When making a commitment to the performance, students are also making a commitment to their dance group. The intricate details of choreography are planned for a specific number of dancers so missing a performance impacts not only the individual dancer but his or her entire group.

Costume deposits for the Spring Performance are due no later than **Friday, December 20th**. The total costume deposit required is \$25+HST per class that a student is enrolled in. Costume deposits are payable by cash, debit, cheque or credit. By submitting your costume deposit, you are making a commitment to participate in the Spring Performance and are acknowledging that you have read and understand the extra commitment involved in participation. All costume deposits will be deducted from the final cost of the costume. As in previous years, we will do our best to keep the costumes as reasonable in price as possible. The estimated cost of costumes before taxes is: Primary - \$60-\$70, Junior 1-4 - \$65-\$80, Levels 5A+ - \$75-\$95. Students who are enrolled in more than one ballet class per week will only be charged a costume deposit for one of their ballet classes. To view the total amount of deposit owing, please login to your registration account via our website: www.carouseldancecentre.ca

Students will be measured for costumes in their classes at the beginning of January and costume orders will be placed during the second week of January. Please remember that a costume **WILL NOT BE ORDERED** for your child if we do not receive the costume deposit by **Friday, December 20th**. **If you are set up for re-current billing, costume deposits will be processed to the card we have on file on December 12th.**

If you have any additional questions regarding the performance, please do not hesitate to contact the office at 519-746-8877 or by e-mail admin@carouseldancecentre.ca. We are looking forward to the performance!!
